

How do we live the Stonegate School Christian Vision?

How we flourish at our School.

SCHOOL VISION

In our school we believe that every person has special and unique gifts and qualities given to them by God. Through our values of Compassion, Trust, Respect and Courage, we seek to be a school where these gifts are nurtured so that everyone can let their light shine out for all to see.

'Let your light shine'

Matthew 5:14-16

Prayer Spaces
(Reflection)

All staff are provided with learning opportunities to be the best that they can be.

All Intervention groups including Nurture groups, Speech and Language, Sensory Circuits, Art Therapy, Gardening, Wellbeing Warriors and Volunteer Readers.

Pupils are given meaningful responsibilities and chances to lead and make a difference.

All staff members are deeply valued and are provided with opportunities to develop their practice.

Marking, feedback and dialogue allow all pupils and staff to reflect on their learning and give precise strategies to improve.

Ensuring the highest quality of engaging first teaching across the curriculum, where children develop learning skills.

A Curriculum which is broad, balanced, exciting and meaningful. (Including RE, Music, French, PE and ICT)

Choir and the performing arts

Outcomes and / or progress is strong for ALL groups of children.

We aim to offer children from all backgrounds an inspiring, aspiring and interesting curriculum, based on real experiences, which will encourage in the pupils a lifelong love of learning and an ambition to do well in anything they try.

Learning, skill development and discovery regularly take place outside the classroom.

Providing enriching educational visits, visitors and specialist days.

Leading work within the EIP to ensure pupils and staff from Stonegate and other local schools receive the best learning opportunities.

Forest School

Visiting local places of historical interest

Teaching our pupils the skills of how to be a historian / geographer / scientist.

Pupils to have a mastery understanding and appreciation of Stonegate, its environment and our locality.

Gardening / using the allotments

Being a focal point of the community.
Inviting members of the community in to our school.
Using local business or specialists to enrich learning.

RE Curriculum.
Understanding Christianity

A strong partnership with St Peter's Church

Learning about a variety of cultures and faiths alongside British Values

PSHE Curriculum and learning how to be safe.

Working closely with our families to ensure the best possible outcomes for all.

Collective Worship and the reinforcement of the 4 School Values.
